Warranty Agreement Enforced When Both Parties Have Signed This Agreement.

Electrical Warranty Agreement

No Acts of God are covered by RDS Systems to replace wiring or devices or to continue services of damaged wiring or devices.

RDS Systems will warranty all wiring and devices for one full year under the following conditions:

That RDS Systems has been paid in full for wiring and services on a per job basis.

That RDS Systems and/or Employees of RDS Systems installed said wiring and devices and were purchased by RDS Systems.

That no alterations to wiring or devices were made by any person(s) or business other than RDS Systems and its employees.

All warranties will be issued on a per job basis.
